

# Inverloch Historical Society Inc Newsletter No 235, July 2018

## *From the President*

### **Inverloch History Exhibition: 9 AM to 4 PM Daily, 2-30 August 2018 @ The Hub Inverloch**

Inverloch Historical Society's next exhibition is almost upon us and will be a showcase for the Society for the whole month of August. To deliver a successful exhibition we will require good participation from members. Many jobs will be on offer, especially that of being an Exhibition Attendant, preferably working in pairs, to keep 'an eye on things' and handle queries.

Already, much time and effort has gone into planning and preparing the exhibits. To get to this point, and ensure readiness for our opening on 2 August, I must commend the dedication and work of two members of the Exhibition Team, **Ray Burt** and **Rod Pettit**. I feel certain that all Society members will be proud of what the team has achieved for this display and that exhibition visitors will be impressed by our work and fascinated by the town's history.

As you would expect, the exhibition largely comprises pictorial material. There are 20 new large canvas prints of photographs drawn from our collection - and they are a real delight! All of the images will be labelled clearly, so that we can help to grow community understanding of the dedication of Inverloch's pioneers and the work of the Society in preserving and displaying their stories.

Selection and retrieval of photographs for the 20 new canvases was carried out by two other members of the Exhibition Team, **Graham Paterson** and **Susan Hacker**, building on their long-term work of digitising our entire collection. Many photographs were examined and the final selection was not easy, although there were some clear standouts. You can make up your own mind when you see the displays! I want to emphasise that this exhibition comprises largely new material, highlighting many of the recent contributions from people in the broader Inverloch community.

Please spread the news about the Exhibition - tell your friends and anyone you meet. Word of mouth is still the best way of publicising any event.

Annual Membership Subscription: \$20 (Individual), \$32 (Couple)

## Roster for Volunteer Exhibition Attendants

A sign-up sheet for the Exhibition Volunteer Attendant Roster will be available at July meeting.

Each day will comprise two "shifts" 10 AM to Noon and Noon to 2 PM. Ideally members will work in pairs as this worked very well last year.

*The committee will be very grateful to members who sign-up for a couple of shifts as we have 28 days to cover.*

## Annual Fundraising Raffle

Tickets for our annual fundraising raffle will be available during the Exhibition. Two prizes are on offer - a hamper and a copy of the art deco poster advertising Inverloch during the 1930's. The original poster will take pride of place at the Exhibition. It has now been reframed and conserved and looks magnificent.

*Items contributed by members for inclusion in the hamper will be much appreciated. Please bring them along to the July general meeting.*

## Inverloch Historical Society Polo Shirts

The aqua coloured polo shirts featuring the Society's badge embroidered onto them have arrived for members who ordered them. They will look great when worn at the Exhibition and will help visitors to identify our members.

The cost per shirt is \$26; they will be available at the July general meeting.

Members can also place orders at the July meeting.

*LEFT. President John Hutchinson wearing his I.H.S. shirt.*

## July 2018 Guest Speaker

Our speaker for July will be Roger Clark, President of Bass Valley H.S. and editor & publisher of "The Waterline News" & "The Western Port Times". Roger is also leader of U3A Bass Valley's Local History Group. We are immensely grateful to Roger for taking time to speak with us; he clearly offers a very engaged view of the business of preserving local history, communicating through newspapers and working with Seniors at U3A.

### The Western Port Times

GRANTVILLE & DISTRICTS

---

Volume 1 Number 2
June 2018

**WELCOME**  
Welcome to the second edition of The Western Port Times.

This magazine has been introduced as a rebirth of the original Western Port Times, which was published in Grantville from 1898 until 1910.

Produced by The Waterline News, for the U3A Local History Group, based in Grantville, The Western Port Times is a creative Exercise to showcase Grantville's history, via the group's website.

The monthly magazine is only available online, with all editions available on the website creating what the group believes will be a valuable historical resource.

Grantville was gazetted on 20 September 1872, almost 146 years ago and has a rich and proud history to be uncovered as more time passes.

We would like to invite all of you to contribute to the effort, with any stories, memorabilia, photos, maps etc. you may have in your collections.

**FEATURE**

*Nell (Penny) & Cyril Dolphin*

This month's feature is a collection of thoughts, put to paper by Cyril Dolphin, many years ago, which were passed on by his wife, Nell, we believe, after his passing, in 2001.

We have had this work for some time, which had to be completely re-typed for publication and we have also been able to source some great old photos to go with the story, thanks to Noelene Lyons, Barbara Oates, and Martin Dolphin, a second cousin of Cyril's surviving children.

Thanks also to history group member, Trish Hart, for her assistance in bringing the photos up as well as we could get them.

Martin Dolphin told us "Glad to know that the photos are suitable and pleased to have been able to help. I have also benefited from the exercise in that I got to locate and communicate

with Cyril's children, my second cousins, which is something I had been meaning to do for a long time. I look forward to seeing Cyril's work, and will pass on the viewing details to his children.

Two of the four children of Cyril and first wife Lorna are still living, as is the wife of the most recently deceased son. As part of my family history research I have been meaning to find and contact these second cousins for some time

(not seen since childhood), and I have now been able to do this.

When Cyril and Lorna separated in the 1960's, the three surviving children split up; two going with Lorna, one going with Cyril."

This exercise has created a lot of interest for many people, which is just one of the benefits of historical research and we have just started.

Watch this space

**Editor**

### Key Projects & Volunteers

*Digitisation & Cataloguing* : Graham Paterson & Susan Hacker  
*Webmaster & Social Networking*: Rod Pettit  
*Museum* : Terry Hall , John Hutchinson, Lynn Kirk & Ray Burt
